

Thank you for your interest in our rental homes or apartments!

Please take a moment to review what needs to be included in your application to ensure timely processing. Once your application is submitted you will be contacted by our **screening department**. We strive to process applications within 48 business hours but it depends heavily on the applicant producing the necessary supporting information. All adults 18 years of age or older who will reside at the Property must complete, sign, and pay for a separate application.

Should you have any questions or concerns please contact our screening team via email at apps@keyrenter.com or by phone at **(801) 316-1560**. **View our full rental requirements and our leasing process to see that we will be a good fit.
